Additional rebate information

- ★ **Residential:** Rebates up to **\$75 per toilet** or **50%** of the materials and installation costs, whichever is less. Maximum of two toilets per address.
- ★ **Commercial:** Rebates up to **\$100 per toilet** or **50%** of the materials and installation costs, whichever is less. If you would like to replace more than four toilets a pre-installation inspection with Water & Light will be required.
The total installation cost should include the price of a qualifying toilet tank, bowl, installation hardware, wax ring, and installation cost incurred by a licensed plumber.

I acknowledge that the City of Columbia is no way responsible for the condition of the plumbing on the downstream side of the water meter, now and or in the future. The rebate application form and receipts must be submitted to Columbia Water & Light within six months of the toilet installation. Incomplete or incorrect application will have thirty days to provide the correct information or risk losing their rebate. To properly dispose of toilet please call the Contact Center at 573.874.CITY(2489). Ask for Solid Waste to receive the proper procedures.

I understand that the application for a rebate is subject to Columbia Water & Light rules and procedures which are subject to change without notice. I certify the above declaration is true, accurate and complete. One-time rebates are available for qualifying water customers. Rebates are offered on a first-come, first-served basis as funding is available each fiscal year.
