I acknowledge that the City of Columbia is no way responsible for the condition of the plumbing on my side of the water meter, now and or in the future. The rebate application form and receipts must be submitted to Columbia Water & Light within six months of the installation. Incomplete or incorrect application will have thirty days to provide the correct information or risk losing their rebate.

I attest this information accurately reflects the equipment has been installed in compliance with the manufacturer's specifications for the new equipment. Any and all equipment associated with this rebate must be installed in compliance with required local, state and federal codes. Any tests or inspections that may be required for the verification of such are the responsibility of the customer or installing contractor.

I hereby authorize my dealer/contractor to provide Columbia Water & Light with purchase records that verify the information stated in the rebate application. I understand that the application for a rebate is subject to Columbia Water & Light rules and procedures which are subject to change without notice. I certify the above declaration is true, accurate and complete. One-time rebates are available for qualifying water customers. Rebates are offered on a first-come, first-serve basis as funding is available each fiscal year.
